The next set of questions concerns services your organization provided to victims of crime or abuse during past calendar/fiscal year.

For the remaining questions, please think about the component of your organization that serve victims of crime and abuse and about the victims who received services during the past calendar/fiscal year. If your organization served crime victims through a specific program, think about that program when answering the remaining questions.
Did your program provide any of the following services to victims within the past calendar/fiscal year? We recognize that victim service organizations provide a wide array of services to victims. For the purposes of this survey, we are asking about general categories of services your program provided to victims, which may not capture your victim service offerings in detail.
